

- ITIN LIMITS

You have an ITIN — but what *can't* it do?

An ITIN opens some doors, but it has **clear limits**. Knowing them keeps you compliant and clears up the most common misconceptions.

- NOT A WORK PERMIT

An ITIN can't
authorize
work.

An ITIN is a tax **processing number** issued by the IRS. It does not give you permission to work in the U.S.

- NO IMMIGRATION STATUS

It won't change your *immigration status*.

Holding an ITIN does not change your immigration status or provide any pathway to U.S. citizenship. It is purely a **tax identifier**.

- NOT AN SSN

An ITIN is *not an SSN*.

An ITIN is not a Social Security Number and does not **replace one**. It does not qualify you for Social Security benefits.

• WHAT IT IS FOR

What an ITIN *is* built for.

Its core job is federal tax reporting. In practice it can also support a few non-tax steps — though **acceptance always varies**.

- ◆ File and report federal taxes
- ◆ Open an account — each bank decides
- ◆ A driver's license in eligible states

● KEY TAKEAWAY

Know the *boundaries*, stay compliant.

Understanding what your ITIN can and can't do helps you avoid costly **misconceptions** and keeps your U.S. tax filings on solid ground.

- YOUR NEXT STEP

Questions about *your* *ITIN?*

ITIN.com prepares, verifies, and files your Form W-7 and helps you understand exactly what your ITIN does — and doesn't — do.
