

• FOR FAMILIES

Could your *family* need an ITIN for U.S. taxes?

What an ITIN is, who in your family it covers, and how to get help.

• WHAT IS AN ITIN

**A tax number
for people
*without an
SSN.***

An Individual Taxpayer Identification Number is a tax processing number issued by the IRS, so people who can't get a Social Security Number can still file.

• WHO NEEDS ONE

Who in the family might need one?

Family members with a U.S. tax filing or reporting need who aren't eligible for an SSN.

- ✦ Nonresident and resident aliens
- ✦ Spouses included on a U.S. return
- ✦ Dependents who can't get an SSN

● CLEAR THE CONFUSION

What an ITIN *is not*.

An ITIN is only a tax number — it doesn't change your status or right to work.

- ◆ Not a Social Security Number
- ◆ Not work authorization
- ◆ Not immigration status

• WHY IT HELPS

What an ITIN lets your family do.

With an ITIN, your household can stay on the right side of U.S. tax rules.

- ✦ File and stay compliant with U.S. tax law
- ✦ Claim eligible dependents on a return
- ✦ Report U.S. income correctly
