

• FOR CPAS & EAS

Demystifying ITINs for your *non-citizen clients.*

What every CPA and EA should know before the next filing conversation.

- WHAT IS AN ITIN

A tax ID for *federal* *reporting* only.

An Individual Taxpayer Identification Number is issued by the **IRS** for federal tax reporting. It gives a filer a U.S. taxpayer ID when an SSN isn't available.

• WHO NEEDS ONE

Which clients actually need one?

Non-citizens with a U.S. filing or reporting requirement who can't obtain an SSN.

- ✦ Nonresident aliens with U.S. tax obligations
- ✦ Resident aliens filing U.S. returns
- ✦ Those ineligible for a Social Security Number

● THE ROLE OF A CAA

How a *Certified Acceptance Agent* helps.
